

CHILI TOWN BOARD  
April 4, 2012

A meeting of the Chili Town Board was held on April 4, 2012 at the Chili Town Hall, 3333 Chili Avenue, Rochester, New York 14624 at 7:00 p.m. The meeting was called to order by Supervisor David Dunning.

PRESENT: Councilman Brown, Councilwoman DiFlorio; Councilman Slattery, Councilwoman Sperr and Supervisor David Dunning.

ALSO PRESENT: Dawn Forte, Supervisor's Secretary; Sandra Hewlett, Stenographer; Virginia Ignatowski, Town Clerk; Ken Kraus, Deputy Town Supervisor; David Lindsay, Commissioner of Public Works/Highway Superintendent and Building Department Representative; Dianne O'Meara, Director of Finance; Richard Stowe, Counsel for the Town; Eric Vail, Insurance Counselor.

The invocation was given by Virginia Ignatowski.

The Pledge of Allegiance was cited. The fire safety exits were identified for those present.

At this point, a Public Forum was conducted to allow public speakers to address the Town Board. The following speakers addressed the Town Board on various subjects: Dorothy Borgus and Charles Rettig. The Public Forum concluded at 7:06 p.m.

SUPERVISOR DUNNING: Being most of those are regarding resolutions, we will address those as we get to them.

**MATTERS OF THE SUPERVISOR:**

SUPERVISOR DUNNING: Just simply like to point out, I don't know how many -- I know not everybody gets The Suburban News. The circulation is largely in the North Chili and West Chili area and most of the rest of the Town gets the Gates Chili Post, but you -- if you haven't seen it and you want to pick up a copy, maybe you will be able to find it, but our Historian and Chair of our Historic Preservation Board wrote a very, very nice article about Chili's birthday. Our 190th birthday, by the way, was officially April 2nd of this year, so just a couple days ago. It was our -- it was 18 -- April 2nd, 1822 when Chili became incorporated. I believe it was sometime around early February when it was actually separated from the -- the Town of Riga. State Legislature separated it off. So that was about a month ago. So depending which day you want to figure is the official birthday of Chili, but it officially became a Town on April 2nd, 1822.

Nice article if you want to pick up The Suburban News. Bonnie Moore did a wonderful job, as always she does a great job with her stories. It's a very interesting, historical read. So especially for young people that are not as familiar with some of the history of Chili, it's a great read if you pick it up. Other than that, I have --

COUNCILWOMAN DI FLORIO: Is it possible to put a copy of that article on the website?

SUPERVISOR DUNNING: I don't know. We might -- we might be able to scan it and put it in.

COUNCILWOMAN SPERR: She has the Historian's Corner.

SUPERVISOR DUNNING: We might be able to scan it and put it in. I will talk to Mr. Levey about that.

**MATTERS OF THE TOWN COUNCIL:**

COUNCILWOMAN DI FLORIO: Just in case anybody tried to go to the Easter Egg Hunt, it was canceled due to weather, but the Recreation Department has rescheduled for April 21st, which is in conjunction with the Earth Day celebration that they're going to be having. It will be at Union Station, and they're calling it Spring Chicken Egg Hunt. There will be a chicken there, apparently, not a little one, but big chicken. So for anyone that missed that event --

SUPERVISOR DUNNING: I was wondering if Councilman Slattery actually had the suit yet or not?

COUNCILMAN SLATTERY: Well, for the kids in the audience, I can't say.

JORDON BROWN: He's no spring chicken. (Laughter.)

COUNCILWOMAN DI FLORIO: So that was Plan B apparently for the egg hunt.

COUNCILWOMAN SPERR: April 21st?

COUNCILWOMAN DI FLORIO: April 21st.

JORDON BROWN: I want to congratulate Pat Tindale who was nominated by the

Chamber as our Citizen of the Year. Pat (Tindale) works in the library. She was a member of our Comprehensive Plan Committee and she chairs our Conservation Board.

Anybody interested in attending when she receives her award, as well as a number of other community awards, it is Tuesday, April 24th at the Diplomat.

COUNCILMAN SLATTERY: And one other thing. In regards to one of the residents on the agenda, he had an older agenda, so some of the resolution numbers weren't matching up, so if people are watching at home, you know, and they looked at it online, those numbers would be off by one.

The 3/7/2012 Town Board meeting minutes were approved as submitted.

**REPORTS SUBMITTED:**

Planning Board Minutes – 2/14/2012

Zoning Board Minutes – 2/28/2012

**CORRESPONDENCE:**

1. Town Clerk Virginia Ignatowski has received notification from Ann Burdick, Real Property Appraiser that she is resigning effective 4/6/2012.

SUPERVISOR DUNNING: Currently the real property -- for the Board's information, the real property appraiser position, we'll be looking to fill that position. There is a list, current Civil Service list. We're canvassing that list right now, so we'll get a response back from that, but the job will be appropriately posted, so should anybody qualify for that.

2. Town Clerk Virginia Ignatowski has received notification from Gray Gardner, Highway Department that he is retiring effective 5/30/2012.

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: Only comment, we were at an awards banquet the other night and they always do a very wonderful job. They did a very nice recognition for Sonny (Steeves). It is my recollection that Sonny (Steeves) was with the Fire Department for 70 years, which is a long time as a volunteer. His family was instrumental in forming the Chili Fire Department and it was a very nice -- very nice dedication at that. So for Sonny (Steeves) -- for people at home, I should have said this prior, but Sonny (Steeves) did pass away recently.

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: Dorothy (Borgus) mentioned it. I thought that was in regard to the new ones being purchased or the ones being getting rid of.

DOROTHY BORGUS: Combination.

COUNCILMAN SLATTERY: Combination.

SUPERVISOR DUNNING: We can handle it both.

David (Lindsay), do you want to touch base on that if you would, please, then?

DAVID LINDSAY: Sure. I can do it now.

We are keeping a spare. We were thinking of auctioning three of them. These are the older style gas machines. We're purchasing diesel machines now which are more powerful. They have a lower maintenance cost for us. We're also driven by the number of box trucks we have available that we actually hook these machines up to. So the diesel machines that we have, a certain number of diesel machines that match up to a certain number of box trucks, and we decided to keep one gas that we were going to get rid of as a spare, so we do have a spare.

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: There was an additional question on this resolution regarding the landscape trailer, David (Lindsay).

DAVID LINDSAY: If you recall, last fall we replaced -- we purchased the larger trailer. This is the undersized trailer that we can't fit our -- our tractors or mowers on, so this is basically auctioning this one off.

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: There were a couple of different questions. One is in regards to the dog census being done.

I know the answer to that is no. We are still working on that, though?

That is done? That's news to me.

DAVID LINDSAY: The original charge was to do the census, which was half the Town. We finished that half and we moved into the second half. So we're done with the original part of the census and we're doing the rest of the Town now and we're just about done with that.

SUPERVISOR DUNNING: So the census is still ongoing?

DAVID LINDSAY: Yeah, but originally we were doing half of it, which we completed, and then we said, well, it is working so well, let's do the other half.

COUNCILWOMAN DI FLORIO: Great. So we're ahead of schedule?

SUPERVISOR DUNNING: Well, not really.

COUNCILWOMAN DI FLORIO: Not Dorothy (Borgus)'s schedule.

SUPERVISOR DUNNING: No. We're not even -- no.

COUNCILMAN SLATTERY: I got to go with Dorothy (Borgus) on that one.

SUPERVISOR DUNNING: All in favor, say aye? (Laughter.)

COUNCILWOMAN SPERR: We're getting there. It is progress. Glad to hear it.

COUNCILWOMAN IGNATOWSKI: Supervisor, if I may, it has been capturing a lot of owners who were completely unaware that they were supposed to be registering their dogs so we have seen a definite increase in dog licenses coming into the Town Clerk's Office.

SUPERVISOR DUNNING: Good.

The other questions were in regards to cost, hours, part-time, whether or not our -- our current person would be -- our current Dog Control Officer will remain as a part-time Dog Control Officer, and the service will be rendered on an as-needed basis or per-call basis. We do believe that the cost, hours and everything involved have been well covered in this intermunicipal agreement, and the cost savings to the Town of Chili is only in the amount of money that is basically we receive from dog calls that take place in the Town of Riga or -- and/or in the Village of Churchville.

Um, certainly that intermunicipal agreement is -- will be available for people to review and see the complete circumstances, but I believe we have covered all of the bases on this, and I think the agreement is done very well.

I think I have covered those -- questions or comments from the Board at all?

**RESOLUTION #174 RE: Intermunicipal Agreement with the Town of Riga and Village of Churchville for Dog Control Services**

**OFFERED BY: Councilwoman Sperr SECONDED BY: Councilman Slattery**

**WHEREAS**, the Town of Chili operates and administers a program for the control of dogs with an animal shelter, equipment and municipal dog control officers; and

**WHEREAS**, the Town of Riga, includes within its boundary the Village of Churchville, with its own Dog Control Local Laws and regulations, enforcement of which the Town of Riga has been responsible for; and

**WHEREAS**, Chili and Riga/Churchville, have discussed an opportunity to share services and work together in developing a contractual relationship for service delivery for their mutual best interest; and

**NOW, THEREFORE, BE IT RESOLVED**, to authorize the Town Supervisor to execute such

agreement subject to review and approval by Counsel to the Town.

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: There was a question whether or not this road would be the Town's responsibility, I believe was the question. Eventually, yes, the Town intends to take dedication of this road.

COUNCILMAN SLATTERY: Isn't the Town currently maintaining Jet View Drive?

DAVID LINDSAY: We are maintaining the southern portion of Jet View Drive. This should be the connection from that terminus up to Chili Avenue, which we would then take in dedication and be responsible for maintenance.

COUNCILMAN SLATTERY: Basically we're going in there now, and then it would just be a continuation --

DAVID LINDSAY: Yes.

**RESOLUTION #175 RE: Intermunicipal Agreement with Monroe County for Construction of the Jetview Drive Extension**

**OFFERED BY: Councilman Brown**

**SECONDED BY: Councilwoman Sperr**

**WHEREAS**, the County has received Federal funding for the Paul Road/Fisher Road Corridor project in the Town of Chili; and

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: There was a question. Um, are they licensed? Yes. Do they open the parks? I don't believe they do. Mr. Lindsay, could you clarify that?

DAVID LINDSAY: No, I don't believe they open the parks.

SUPERVISOR DUNNING: But they do close the parks?

DAVID LINDSAY: Yes.

SUPERVISOR DUNNING: In the evenings. And -- yeah, they are licensed. Why -- they have worked for us before.

COUNCILWOMAN DI FLORIO: I was going to say.

SUPERVISOR DUNNING: It is the same one we had two years ago. Um, and we felt that

the -- their vehicles, their use, their familiarity with the Town, their vehicles are very apparent. They are black and white with sirens, very well marked vehicles. You know that they are security of some kind. They got little sirens.

COUNCILMAN SLATTERY: That's a flashing light.

SUPERVISOR DUNNING: Flashing light.

COUNCILMAN SLATTERY: They may stick their head out the window. I don't know. (Laughter.)

SUPERVISOR DUNNING: They have flashing lights on their vehicles. And -- and anyways.

COUNCILWOMAN DI FLORIO: They're visible.

SUPERVISOR DUNNING: They are very visible, and again, they have worked for us once before. Very familiar with their operation as they are with the Town.

COUNCILWOMAN SPERR: The only reason it changed before was because of the amounts we got in the bid, so.

SUPERVISOR DUNNING: Yeah. The security firm we had before was just obviously way more expensive.

Any other comments or comments?

You good?

COUNCILMAN SLATTERY: I'm good.

SUPERVISOR DUNNING: You sure?

COUNCILMAN SLATTERY: You wait any longer... (Laughter.)

TOWN BOARD DISCUSSION RELATED TO THE FOLLOWING RESOLUTION:

SUPERVISOR DUNNING: You know, I only knew Mr. Powers for -- for actually for a very brief time. Um, and then it was mostly from a political sense, and I know he was a great public servant. He did spend an awful lot of time with this Town. He was obviously very passionate about the Town of Chili.

And I would like to recognize, and I'm sure probably maybe he may not like me to do this at this point in time, but I will recognize also one of our great employees who worked very hard for us for the Town of Chili and his son, Casey Powers is here with us this evening.

Casey (Powers), you know, as -- as -- I know we have talked. Our -- our sympathies really go out to you and your family at this time. We know there is nothing we can say or do that will ease any of your pain as you go through this process, but you will overcome and -- and the memories of your father I hope you just cherish for the rest of your life, because he was a good man and a good public servant.

MR. CASEY POWERS: Thank you very much. I would just like to thank you, Mr. Lindsay and all your staff and everybody in the Town that showed us any support. Like I said, the political differences and that, everybody worked for the same thing, the Town of Chili, and he would be very proud of what everybody has done for him.

COUNCILWOMAN SPERR: I had the pleasure of being able to sit next to him for six years up the dais, and I can still hear him laughing. I told Casey (Powers)' mom that the other day. He was a great guy. Just a great guy.

MR. CASEY POWERS: Thank you.

COUNCILMAN SLATTERY: And, Supervisor, I had the opportunity to serve with Little Jim (Powers), as he was known, as there was two Jim Powers on the Board. And one was Big Jim (Powers), the other was Little Jim (Powers).

And Little Jim (Powers), Casey (Powers), I tell you he was a man that I came to respect, um, somebody who actually helped me out along the way. Provided guidance for the young buck, and he just -- he was more than willing, and there is times I sat with -- with Kathy and Jim (Powers), his wife, and he didn't really -- didn't look at it from one side of the aisle to the different side of the aisle. He knew what the best interest of the community would be, and he took the time to spend it with whoever wanted to listen and learn.

And, you know, he was a great man, and I appreciated that help, because Lord knows coming into a position like this, you know, you're going to need guidance from people, and you know, he offered it, and I appreciated it. So he was a good man.
