Plans for the New Year: Landmark Designation: Nicole Sanza's house is owned by Zachery D. Degen who is in agreement with placing the home in the Landmark District. The home is located at 550 Paul Rd. near Adela Circle—the papers are all in order and we can continue to move forward with the Landmark designation. Phil would like to take pictures for the presentation. Melissa will write up a summary working with Peter. Peter will call Nicole. We are looking toward a tentative Public hearing at the March Town Board meeting.

Recognition Award: two possibilities--Pearce Church Bell Tower, Beauty Parlor on Chili Ave near Wegmans. Peter read the written purpose of this award which is to encourage the historic preservation architectural upkeep of homes. We also have a thank you note on file to send to the people who own the properties. Proposals for recognition can come from any citizen by use of the application form. Peter suggested that the form be put on the town website.

Landmark Book discussion continued with pros and cons.

Landmark Status Certificate: Phil will use his updated certificates for Carole Thoms and Fuhrmans. He will include the presentations and pictures from the town board meeting and a picture of each home.

Chil-E-Fest Tour: We can provide the information for the recreation department and they can organize the tour. We can write a paragraph for each site of interest on the tour. Our board can create handouts for those taking the tour.

Next meeting Dec. 9th—David Dunning would like to come to our meeting and make an announcement. We will bring treats for the meeting.
