

MARCH 14, 2016  
APPROVED CHPB MINUTES

**PLEDGE AND ATTENDANCE:** Bonnie Moore, Chair; Earl Bassett, Rona Pearce, Linda Hamilton, Sec., Judy Schreck, Peter Widener, Michael Slattery, liaison. Absent: Phil Supernault

**APPROVAL OF FEBRUARY MINUTES:** Earl moved. Peter 2<sup>nd</sup>. Carried

**OPEN FORUM:**

A suggestion was to have a Face Book page. Folks are welcome to communicate through our Historian or Board chair, attend our public meetings and find our Landmark Home Presentation on the Town Website

**CHILI HISTORICAL SOCIETY WANTS OUR HELP-** Sunday, May 15: Pricilla Beaman would like us to come with a Power Point, pictures or other presentation of our Landmark Homes and explain the process of having a home designated as a Landmark. Discussion of the small size of the meeting room, bathroom accessibility, etc. Is advertisement going to bring in a larger crowd than the room can accommodate? There is an Art Display scheduled for May 15. If people can move from one room to another it could work. Bonnie will clarify the date and details with Pricilla and then send the information via email to preservation board members.

**LANDMARK HOMES, APPLICATION** discussion. We are customer friendly, but the municipal code may make Landmark Home prospects hesitate. We could include a statement with our letter to say that the code is available upon request. Bonnie will contact Mr. Burkhard and send him all the information we have compiled including the code which he requested.

**CHIL-E-FEST PARTICIPATION**— Float of school house on flatbed truck with a schoolmarm and children. Rona's son, Kenny, has a small flatbed with a low fence which wouldn't be safe for school children. John Testa may have a flatbed truck. Board members should continue to think about possibilities.

**LANDMARK FORUM: MARKETPLACE OF IDEAS**—Bonnie has tried to call different people and had no return calls.

Michael said on April 21, a public information meeting at 7 PM with discussion of Chili Ambulance combining with Henrietta and Scottsville. Discussion of paid staff. Taxes currently pay volunteer ambulance workers.

Michael said the town will hire Passero to look at the Glazer building for possible purchase --a huge building next to the highway department with 80 acres. Report at a town board meeting by the end of June.

Next meeting—April 11.

Adjournment: Rona moved, Judy 2<sup>nd</sup>. Motion carried at 8:35 PM

Respectfully submitted,

Linda Hamilton
