TOWN OF CHILI  
SUPERVISOR'S OFFICE

**Attendees:** Paul Wanzenried (chair), Daryl Cox, James Ignatowski,  
Michael Divito, Robert Latanga, Michael Slattery (Town Board Liason)

**Meeting was called to order at 7:00 PM**

Meeting minutes for February 25, 2009 were presented and approved.

**Applicant Presentations:**

Mr. Larry Fenity, of Fenity Associates, on behalf of Titan Rock LLC for the construction of a 23,000 sq. ft., two story retail/commercial bldg to be located at 4348 and 4354 Buffalo Rd.

Original columns were enlarged, with pilasters added at the second floor to assist in special visual enhancement. Windows were trimmed and enlarged, a main entrance roof style aligned with the elevator tower, windows added to the west elevation, water table added providing a base to the structure. Colors for brick/stucco incl. cream, rust, and terra cotta. Window framing, bronze anodized aluminum.

Pillaster will project two inches to create a shadow line.  
Window moulons were recommended for the circular and arched windows on the north elevation. There is a three and five foot parapet to conceal the HVAC  
West elevation window signage panel was proposed  
Roof line, very nice modification

**Meeting ended at 8:35 PM**
