James Ignatowski

ARCHITECTURAL ADVISORY COMMITTEE

**MEMBERS**  
Michael Divito  
Matt Emens  
Robert Latragna  
Mark Merry

## **RECOMMENDATIONS** **FROM THE ARCHITECTURAL ADVISORY COMMITTEE** **MEETING OF March 28th, 2012**

March 28th, 2012

To: Town of Chili Planning Board

On March 28th, 2012 the Architectural Advisory Committee convened to review the following applications;

1. A presentation was made by Al Arilotta, Architect for ALA Architects, for renovation of 1615 Scottsville Road Rochester, NY 14624. This will include a ramp and roof over the entrance of the existing building at the rear of the property and the removal and replacement of the front building above a height of two feet.

**The committee unanimously agrees that the project meets the Town of Chili Architectural requirements, with conditions, as defined below.**

### **Rear Building;**

- The center pillar in front of the door will be removed and the overhang will be spanned.

### **Front Building;**

- The proposed windows will be double hung and match the style of the windows in the rear building, including grid work in the upper part of these windows at a minimum.
- The man door will be a half light style.

An updated set of plans, incorporating the above changes must be submitted to the Town of Chili building department.

Respectfully,  
Chili Architectural Advisory Committee.
