#### FROM THE ARCHITECTURAL ADVISORY COMMITTEE MEETING OF April 27th, 2011

April 27th, 2011

To: Architectural Advisory Committee.

The meeting was called to order at 7:02 PM by Chairman Ignatowski. In attendance were Mark Merry, Matt Emens and Robert Latragna. Mike Slattery was in attendance as liaison to the town board.

**Old Business** - Robert Latragna agreed to continue in his role as Secretary for the committee.

#### **New Business** -

The committee heard a presentation from Patricia Partridge on behalf on Chili Discount Liquor for the construction of an approximately 5000 sq foot insulated concrete addition. Questions were asked about the materials and design and suggestions were made for improvements.

The committee suggested that additional efforts be made to incorporate the Town of Chili guidelines for Architectural design into the project and that the project be resubmitted.

The committee heard a proposal from Chili American Legion, Post 830 for the addition of a sign to the property at 450 Scottsville/Chili Road. Several suggestions were made for design enhancements and it was noted that the proposed design would require a variance. The sign was also considered by the committee to be oversized.

The Meeting was called to a close at 7:49 PM
