Minutes

FROM THE ARCHITECTURAL ADVISORY COMMITTEE MEETING OF May 25th, 2011

May 25th, 2011

To: Architectural Advisory Committee.

The meeting was called to order at 7:03 PM by Chairman Ignatowski. In attendance were Mark Merry, Matt Emens, Mike Divito and Robert Latragna. Mike Slattery was in attendance as liaison to the town board.

Old Business -

An updated design was presented for a combined Fed Ex / Boon and Sons sign to be located at 3516 union street, Chili NY 14624. The committee found this design to be acceptable and representative of our previous recommendations.

The Microtel project submitted a request to change the color of the agreed upon white corner moldings to match the siding color. Discussion ensued and the committee agreed to discuss and investigate the matter further within the committee and send our decision to the presenter.

New Business -

The committee discussed a request for a sign for Grace Covenant church, 224 County Road 121, Chili, NY 14624. The sign was given preliminary approval for it's size and shape, but final approval was withheld pending submission of material and color samples.

The Meeting was called to a close at 7:31 PM

The committee reconvened at the site of the Microtel project at 7:40 pm to do an on-site evaluation of the request for a color change for the corner moldings. After evaluation the committee determined that the change was not acceptable and would reduce the architectural appeal.

The meeting dispersed at 7:53 PM.
