### OLD BUSINESS 7/6/06

Item # 4 Traffic is backing up on Rt. 259 past Rt. 490 exit from Chili Ave. The intersection continues to be a hazard. What is the schedule for the permanent fix to the problem? **State to widen road for 2 lanes for southbound traffic, one lane for left turns (no signal upgrade). The MCSO with conjunction with the NYSDOT recognize that using the shoulder of the road to pass a vehicle turning left is within the law and the current traffic flow. State has scheduled to start work on intersection on 06/09. See Attachment, work has begun. Lines have been painted and turn light installed 8/5/09. Concerns with telephone pole at SW corner. D. Lindsay is investigating and contacting RG&E. RG&E said they would move it but the cost would be to Town. RG&E is sending an estimate. If the estimate is around \$1500.00 the committee to recommend the town relocate the pole.**

### OLD BUSINESS 8/7/08

FYI At the intersection of Morgan Rd and Union St. the bushes are growing out to the road. The bushes need to be trimmed. **D. Lindsay has contacted the home owner about trimming the bushes. B. Penwarden will write a letter and/or have bushes trimmed. See attached pictures and letter. MCDOT has conducted a sight-distance investigation; the sight-distance exceeds all State and Federal DOT requirements. The committee will address again when bushes have bloomed out.**

OLD BUSINESS 5/6/09

Item # 1

Guest, Carleen O'Neill, Shirley McGavern, Audrey Dasson, Brenda DeGroat, David DeGroat, Jenamarie Bacot, from Grenell Dr. presented a signed petition to the committee expressing their concerns about the increase of traffic on Grenell Dr. The increased traffic is using Grenell Dr. as a cut thru between Chili Ave. and Paul Rd. The traffic is exceeding the speed limit and not staying on the road as Grenell Dr. dose have some sharp curves. It was also noted that large truck traffic has been using Grenell Dr. as well, even with the 3 ton posted limit. On 10/1/09 Guest, Carleen O'Neill shared that some would like Grenell Dr to be dead end, people have no respect for the people that live on the street and the stripping of the road has had no positive effect. **B. Penwarden from the MCDOT will request a speed and intersection study, the Traffic and Safety committee will investigate. Committee suggests putting up "Please Slow Down" sign and/or neon stripes on pole of speed limit sign. Also look into using a radar trailer. Also see attachment from committee investigation. G. Barnett expressed original concern. County doing an assessment. On 10/1/09 committee brainstormed ideas regarding this issue. See New Business 10/1/09 for details. The committee has recommended that in early Spring 2010 the town put up all sign changes the MCDOT recommended in their feedback on 11/5/09. Captain W. Sanborn is also going to increase sheriff's presence in the area. Through January Sheriff's department has increased patrolling the area. Resolution was approved by Town Board for the stop sign. It will be placed up early April. All other signage is on order. Further complaints of speeding. Residents are frustrated with the problem. 6/3/10 All signs are up but one.
