

APPROVED MINUTES OF CHPB, JUNE 9, 2014

Our meeting opened with the pledge to the flag and attendance.

ATTENDANCE: Bonnie Moore, Chair; Linda Hamilton, Secretary; Earl Bassett, Rona Pearce, Pete Widener and Michael Slattery, liaison.

Absent: Melissa Pernesky, Phil Supernault

Approval of May minutes: moved by Rona and seconded by Peter. Motion carried.

Chil-e Fest Parade- Peter will speak with David Dunning to see if he has someone to be Grand Marshall. Earl is willing to drive or ride. Peter will ride as Town Historian. Rona is willing to ride and Bonnie ride although she has a conflict. Linda is uncertain. Melissa expressed an interest in riding/driving with her daughter. Linda will call MacBrides once the final count is known.

Dougherty House—Bonnie is still waiting for return call.

Stage Coach Inn—Bonnie is still waiting for return letter from the owners. We need to speak with Rich Stowe as to legal possibilities of making this a landmark without a presentation. The historical sign in front of the building was placed by the county. Rona suggested that we see if the sign could be updated.

Website and Conference—We have discussed placing info on the web of landmark homes with the idea of eventually expanding it to a book format. We should finalize the files, so that they can be used for the website. A landmark home conference would be a presentation of what a landmark is, etc. and a sharing of what it's like to live in a landmark (Melissa). We need time to organize and set a goal. (Perhaps next March or April) Discussion indicated that we wait on the conference and concentrate on the website. Rona moved that we begin work on the website by laying out the framework beginning next month. Linda seconded. Motion carried.

Peter moved that the meeting be adjourned. Bonnie seconded it. Motion carried. We adjourned at 8PM

Respectfully submitted,

Linda Hamilton, Secretary
