Dougherty home—Bonnie has spoken to Kathy Dougherty twice. Bonnie will try to get a date soon.

Budget meeting with Supervisor—Bonnie has a meeting with David Dunning on Aug. 15. Instructions from David are to keep to last year's budget. Bonnie will have a proposal for the book, but it may not be possible financially. She will present a proposal based on last year's book. For now, we can work on the website instead of a book .

Web project: Work meeting postponed until next meeting when more members are here. Melissa brought pictures of the landmark homes which she displayed nicely with bright colored paper frames. She can transfer them to our website. 3851 Union Street has new folks owners. (Stowe-Hart House). Melissa spoke with them and they would like any history that we have of the home. Assessor's Office would have the names of the new owners. Jennie Miller is assessor. Linda will make copies of history in file and Bonnie and Linda can stop to deliver some information to them.

Peter mentioned that the Cobblestone School House is open every Sunday from 1-3 and Streeters is open from 2-4 through the end of August.

Next meeting August 11. We will plan to work on the files/website.
