

**Minutes for Architectural Advisory Committee Meeting
August 14, 2008**

RECEIVED
OCT 15 2008

TOWN OF
SUPERVISOR'S OFFICE

Attendees: Paul Wanzenried (chair), Douglas Gloff, James Ignatowski, Daryl Cox, Michael Divito, Michael Slattery (board liaison)

Chair called meeting to order at 7:00 PM

Approval of Minutes: May 19, 2008 were presented, reviewed and approved

Approval of Minutes: June 12, 2008 meeting minutes were presented, reviewed and approved

Applicant Presentations:

1. Clark Patterson Lee, on behalf of Crestwood Childrens Center, proposed the construction of

two identical residential cottages at 2075 Scottsville Road, property owner Hillside Family Agencies. The committee requested photographs of existing structures, 8x10 photos were provided. The recommendation, to use the color of existing brick buildings. The use of metal roofing is problematic. Stucco color to be beige. Future planning includes the razing of several old structures and further building replacements. The entrance door color is used to identify the cottages for the students.

2. Avery Engineering on behalf of Indus Real Estate, LLC property owner Chili Avenue Associates, site location 3260 Chili Avenue. Revised proposal for a 65-70 room Microtel was presented by Darren Harvill. Paul Wanzenried indicated the committee had not received the revised plans in a timely manner and were unable to review prior to the meeting, however, we would hear their application.

Several site plan changes have been made. A 50' lot line set back must be provided. Alternate window design was recommended by committee, positive response. The committee review/comments will be forwarded to Avery Engineering promptly.

3. Presentation for Wegman's by Arthur Pires for proposed office additions to 100 Market Street, Rochester, NY 14624.

Mr. Pires indicated the proposal has been heard by the conservation, zoning board and the Planning Board.

The proposal includes an addition to the existing Wegmans offices on Fisher Road. The plan calls for a four story 400,000 sq. ft. addition. The architectural design is consistent with the existing office space. Photos of existing facilities were provided. The design will provide for future office space and growth.

The chair will forward the committee's recommendations and/or response.

Respectfully Submitted:
