Summary of Approved Minutes

Town of Chili Drainage Committee

August 3, 2010

Scott Alexander, Vice Chairperson called the meeting to order at 7:01 p.m.

MEMBERS PRESENT:

Scott Alexander, James Gamble, Brandon Tumia, David May, David Lindsay Commissioner of Public Works/Superintendent of Highways, and Hon. Tracy DiFlorio, Councilwoman, Brian Ostling

MINUTES:

Minutes from the May 2010 and June 2010 Meeting were approved

GUESTS:

- **Gerald Backer** – Reported standing water over a period of approximately 2 weeks at his West Ham Cr residence. He informed the board that he brought fill in to try to help with standing water, but felt that additional drainage might be warranted. The board agreed that a site visit to assess the condition before the next meeting would be scheduled
- **Cameron Miles** – Reported that his Brian Drive split level residence has experienced an overflow of the foundation cap into his living space when it rained, preventing him to occupy the area. He also reported that there was no drainage tile behind the residence and felt that he should be allowed to connect to the towns 18” drain. Dave Lindsey said that he would review that, as well as any other options option and follow up.

- **David & Kathey Knight, Douglas Gloff, Jill Bateman, Phil Gallipeau, and Scott Smith** – All reported that their properties on Kuebler Drive have experienced standing water behind the residences & that their basement sump pumps run continuously. Dave Lindsey said that he needed time to review easement areas. After the review is completed he will report back to the committee for further action.
