### OLD BUSINESS 5/6/09

- Item # 1 Guest, Carleen O'Neill, Shirley McGavern, Audrey Dasson, Brenda DeGroat, David DeGroat, Jenamarie Bacot, from Grenell Dr. presented a signed petition to the committee expressing their concerns about the increase of traffic on Grenell Dr. The increased traffic is using Grenell Dr. as a cut thru between Chili Ave. and Paul Rd. The traffic is exceeding the speed limit and not staying on the road as Grenell Dr. does have some sharp curves. It was also noted that large truck traffic has been using Grenell Dr. as well, even with the 3 ton posted limit. On 10/1/09 Guest, Carleen O'Neill shared that some would like Grenell Dr to be dead end, people have no respect for the people that live on the street and the stripping of the road has had no positive effect. **B. Penwarden from the MCDOT will request a speed and intersection study, the Traffic and Safety committee will investigate. Committee suggests putting up "Please Slow Down" sign and/or neon stripes on pole of speed limit sign. Also look into using a radar trailer. Also see attachment from committee investigation. G. Barnett expressed original concern. County doing an assessment. On 10/1/09 committee brainstormed ideas regarding this issue. See New Business 10/1/09 for details. On 11/5/09 committee received speed and vehicle class study from Monroe County DOT. Committee is making suggesting 3 options and D. Lindsay will address a letter to residence on Grenell to gather input. Letter has been mailed to residents of Grenell Dr. See attached letter from D. Lindsay. 10/7/10 D. DeGroat, D. DeGroat and B. DeGroat of Grinnell came to express their**

frustration with the traffic and safety on Grinnell Drive. They live at the end of Chili Ave and would be willing to look at having some of their property used to close off the street. D. Lindsay is going to investigate and go out for a site visit. He will try to contact the owner of the other house at the same end. 12/2/10 D. Lindsay recommends purchasing and installing temporary speed humps at the end of the road once the last snow fall occurs while discussing the other alternatives. Also committee requested D. Lindsay send a note to state regarding a left turn phase on the dedicated left turn lane on Chili Ave heading westbound at Chili Coldwater/Paul Rd intersection. 2/3/11 Dave Goering will investigate.
