NEW BUSINESS:

811 Marshal Rd.: Brian plans to look at a drainage issue that may be related to an adjoining vacant lot at 813 Marshal Rd. The homeowner is having difficulty getting water to drain out of his backyard. Brian thinks there may be a problem with old swale that runs between the two lots. He will report back to the committee at the next meeting.

MEMBER STATUS REVIEW:

The Town Council has asked the Committee to reach out to anyone who resides in the Town and who may wish to volunteer as a member of the Drainage Committee. This will enable us to fill the fifth (5) position on the committee that is yet unfilled.

REVIEW:

Union Station: Matt again recommended that members try to stop by the site to take a look at how the developer was handling the temporary drainage issues that are part of any Construction project.

ADJOURNMENT:

Meeting adjourned at 7:47 p.m.

The next meeting will be on June 2, 2015

Respectfully submitted,
