**Summary of Approved Minutes**  
**Town of Chili Drainage Committee**

August 5, 2014

Matthew Sinacola, Chairperson called the meeting to order at 7:00 p.m.

The meeting was held at the Town Highway Garage Facility at 200 Beaver Rd.

**MEMBERS PRESENT:**

Matthew Sinacola, Chairperson, Jarod Hirt, Vice Chairman, Dr. William Dingus, Secretary, Geoffrey Wiater, Brian Ostling, Deputy Commissioner of Public Works, Hon. Tracy DiFlorio, Councilwoman Town of Chili (by Tele-conference)

**MEMBERS ABSENT:**

Scott Beaman

**MINUTES:**

The June 2014 & July 2014 meeting minutes were reviewed, approval of the minutes was postponed until the September meeting.

**GUESTS:**

No Guest attended the meeting

**OLD BUSINESS and WORK COMPLETED:**

**3774 Union St.:** Brian discussed the problem with David. It was determined that the problem is something that the Town will be able to take care of in the future. The decision was based on a prior commitment that was made by Joseph Carr, the prior Commissioner of Public Works. Brian will contact the homeowner Lou Gracey to inform him of this decision.

**NEW BUSINESS:**

**DPW Update:** Brian indicated that with all the heavy rain and storms that have come through Chili of late, there have been surprisingly few problems or issues affecting the residents that have come to the DPW's attention.

**REVIEW:**

**Bank of America:** New ATM kiosk, North Chili: no relevant drainage issues were noted.

**Royal Spa:** 4390 Buffalo Rd. no relevant drainage issues were noted for discussion.

**Open Door Baptist Church:** 350 Chili-Scottsville Rd. Construction of a new pavilion, the committee noted that the new construction will not affect the existing wetland area, adjacent to the site.

**McDonalds Restaurant:** 3303 Chili Ave, The committee noted that the total site redevelopment of the existing restaurant would improve the present drainage system. The proposed underground water quality improvement structure will enhance the present system for storm runoff.

**C & M Forwarding:** Jetview Business Park, 383 Fisher Rd. a rezoning application to add 140,000 additional sq. ft. of warehouse space to be used for shipping and receiving. The added warehouse will increase the impervious roof area.

**Anchor Christian Church:** 375 Beaver Rd. Education Wing Addition, The committee expressed some concerns about the added footprint which will impinge on the adjacent NY State wetland adjacent area. Matt noted that Planning Board and Town engineering review will assess the impact of this proposed addition. A DEC permit will be needed.

**Drainage Committee Manual:** The committee did not discuss any further developments in the ongoing Drainage Committee Manual

**ADJOURNMENT:**

Meeting adjourned at 8:10 p.m.

The next meeting will be on September 2, 2014

Respectfully submitted,

Dr. William Dingus
