OLD BUSINESS 2/2/12

Item #1

Concerns about if speed limit is too low on parts of Ballantyne and Brook Rd. Committee to recommend put up the traffic counters in the springtime. This will happen later this month. 6/7/12 currently posted at 30MPH. Radar counter was on Brooks, 85% average was 50MPH. Will look at a few more roads and then do a group proposal. Counter will be on Ballantyne soon. 8/2/12 Ballantyne Rd average came in around 40 mph and the 85% average approximately 50MPH. 9/6/12 D. Lindsay will reach out to county to ask for a study. Need to make sure that when county is asked for a study that specific areas are requested. D.Lindsay will research the counter data accumulated and ask the county to do a speed study. D.Lindsay will go over details with Brent from the county about doing a speed study. **4/3/14 County did a speed study and recommended committee to consider making it 40mph. Also, advises town to look at surrounding roads in the area as they too are posted at 30 MPH. D. Lindsay will be working with the MCDOT to complete an area wide speed study as time and resources permit. Brent will talk to Dave about other areas to have the speed study conducted. D. Lindsay will review data and Committee will make a recommendation at the March meeting. D. Lindsay to review with county, 40 MPH with a caution sign for curve. D. Lindsay to draft a memo to the Town Board with the details and recommendations. The Traffic and Safety committee will review draft before being sent the Town Board for consideration. 1/7/16 Committee reviewed/received copy of letter to be handed in. Letter has been sent to the Town Planning Board. 5/5/16 will group in change when committee looks at other roads as part of code update. Dave Lindsay**

will speak to Supervisor David Dunning sooner than later and see if we can move forward with this issue.

OLD BUSINESS 5/5/16

Parklands of Chili. Park Creek Lane (Chili to Union) sharp curve and people park on the roads, creates blind spots. Committee is being asked to look into no parking on one side of road. **Committee recommends sending a letter to Mark Ford, Town Board, David Dunning and the administrative office of the Parklands requesting an ordinance be made to install no parking signs on the curve in question. 9/1/16 D. Lindsay will start the letter for the official recommendation to the town on behalf of the committee for No Parking Signs. Letter to the Town Board to establish the NO Parking zone has been drafted and sent to Supervisor Dunning and a draft resolution sent as well (See attached) This will hopefully make the October Town Board meeting. 12/1/16 will be done in conjunction with town code updates. Dave Lindsay will speak with Supervisor David Dunning sooner than later and see if we can move forward with this issue.**

OLD BUSINESS 12/1/16

Item #2

Back in September a complaint of speeding on Wickens Rd. The concern was passed onto County. Committee investigated and found the following: 3 pedestrian and golf cart crossings are all fine and adequate. Visibility is fine. Traffic was light prior to bridge opening. All cars except one was clocked at 43mph. After the bridge opened, far less traffic. Speed limit is 40mph on Union but there are no speed limit signs posted. **1/5/17 committee look at speed, visibility and traffic volume both during the detour and after the detour, found no issue. The county completed a study and recommended reducing the speed to 45 MPH. The committee recommended a speed of 40 MPH, but would accept the county 45 MPH if the county does not accept the committee's recommendation. County agreed to 45 MPH, will be updated as part of the new town code updates. Dave Lindsay will speak with Supervisor David Dunning sooner than later and see if we can move forward with this issue**

OLD BUSINESS 6/1/17

Item #1

Mark Enright brought to the attention of the Committee of the increased pedestrian traffic on Union St. from Black Creek Park to Chili Ave. **Committee to investigate. This area is part of the town's bicycle/pedestrian sidewalk plan. Request a special attention by the Monroe County Sheriff's department. After further discussion of this issue we determined that a representative from the Monroe County Sheriff's Department will not always be needed at our monthly meetings. If they feel that it is necessary for them to attend they may or otherwise Dave Lindsay will contact Captain Jeff Delgudico of Zone C on any need to attend. Dave Lindsay will follow up with the Sheriff's Department in April of 2018.**
