Recreation Report: (Furnished by Mike Curley)

The Before & After School program is looking for part-time help beginning September, 2019.

The 1st movie scheduled for Friday, June 21 is “A Dog’s Way Home”. P&R staff visited our local elementary schools to vote on future movies. The P&R department is working on trying to increase attendance at the movies, in addition to using social media, etc. This summer may potentially be the last of the movie series due to costs associated with the movie and decreased attendance.

Mike Curley confirmed that the 4th of July festivities will be held at the Town’s Fire Department. The Fire Department has graciously offered their parking lot for use.

Volunteers are needed to help support the car show on Thursday, July 4th from approximately 10am to 12pm. Volunteers needed for set up and to direct traffic so that the cars arrive at their location safely. Those interested, please contact Mike Curley.

Committee members invited to join the P&R Department in marching in the July 4th parade. T-shirts will be provided for the marchers. Please contact the P&R Department for details.

Mike Curley met with David Dunning regarding the establishment of committee(s) for planning the Town’s 200th anniversary celebration in 2022. At this time, David Dunning is not looking at the P&R committee having their own committee for the Town’s anniversary celebration.
