- The Friends' book sale was cancelled due to COVID-19 restrictions.

Library's Response to Closing Its Building Due to COVID-19: Due to the COVID-19 virus, the library building was closed to the public on March 14 and only the Library Director Jeff Baker and Assistant Library Director Jennifer Freese reported to the Library to answer phone reference and quarantine material returned through the book drop. Phone reference was stopped, and the book drop was locked on March 20, and since then the Library Director has been the only one that has entered the building periodically to make sure the server room is running properly and the building has no issues. The Library will remain closed at least until May 15, 2020 per Governor Cuomo's executive order. The Library staff quickly responded to the temporary closure of the building by creating a strategy to fulfill its mission in providing for the lifelong education of its residents. Director Baker is impressed with the CPL staff. They responded with immediate plans to cover the first few weeks of the closing and then adjusted and augmented plans as the shutdown was extended. The CPL Board agrees with this assessment.

- **Updated Schedule of Virtual Children's Programming:** Creating virtual programming is a labor intensive activity. The above schedule of virtual programming was done with the hope the Library building would be open after two to four weeks of being closed. Now that the 'New York on Pause' has been extended at least to May 15, 2020, the schedule of virtual programs has been adjusted as of April 20, 2020, to still provide for the literacy needs of our resident's children, while at the same time not being overly taxing to the Youth Services staff. The updated virtual children's programs are as follows:
 - **Cathy Storytimes** are at 10am Mondays, Wednesdays, and Fridays
 - **Valerie's Chili Chapters** are at 11am Tuesdays, Thursdays, and Saturdays
 - **Wendy's Wonderings** are at 12noon Wednesdays and Fridays
 - **Jill's Storytimes** are at 7pm Tuesdays, Thursdays, and Saturdays
 - **Lego** is at 3pm on Mondays (with a flip-flopping host of either Leila or Lucy)
 - **Minecraft** is at 6pm on Mondays

 - **Tween Book Talks with Miss Cathy on April 22 from 1pm-2pm**
Join us to discuss what you are reading and loving right now
 - **Virtual Painting for Adults with 2U Paint Studio!** on April 23 from 7-9pm

MCLS Items:

- **2019-2020 State Aid for Public Library Construction Application Update** – The application from the Chili Public Library for State Aid for Public Library Construction has been forwarded to the State Library and the Dormitory Authority of the State of New York (DASNY). The application currently waits for DASNY to give final approval to the Library's grant request. The State Dorm Authority has requested more details about our new library building. Jeff Baker is working with Christa Construction to supply needed information.

State Items:

- **Statement the New York Library Association** - *The impact of COVID-19 affected the legislature and the annual budget process heavily. The Capitol closed to the public, forcing grassroots and professional advocates alike to work behind their screens instead of "off the floor". The Senate and Assembly forewent the historical introduction of "one-house" proposals. And with a continuing number of positive cases across the state (including several members of the legislature), the houses adopted policies and procedures to allow elected officials to participate in meetings and the voting process from their districts instead of the chamber. Most importantly, the \$6B deficit...has snowballed with expenditures to support the health crisis.*
- *Governor Cuomo proposed \$91.6M Library Aid in this year's Executive Budget, a \$5M cut from last year's enacted budget. With the support of our friends in the Senate and Assembly, who were given the difficult responsibility of determining reductions across the budget, we secured \$2.5M. The FY2020-21 enacted budget for State Library Aid will be \$94.1M.*
- *The Governor proposed a \$20M cut in capital funding – from \$34M back to \$14M. Despite the efforts of thousands of library advocates, the impact of the COVID-19 pandemic made the reinstatement of this program unworkable. As the state regains its fiscal health, our hope is to see this program grow once more.*
- *The Governor, in partnership with the Department of Budget, will review the State's revenue and expenditures throughout the year (three periods). If deemed necessary, the authority has been granted to the Governor to make budget adjustments. Any changes would require notice to the Legislature.*
