

COVID-19 &

Chili Senior Center Programs

The Town of Chili takes your health and safety very seriously. We also understand how much you miss interacting at the Senior Center. In an effort to offer programs in a safe way, Chili Senior Center has implemented various protocols and screenings for before, during and after any program. All programs have undergone risk assessment, and alterations to ensure the safety of participants and staff. Please read through the following before registering and attending any programs. So you will know what to expect.

- Continue to follow state and local guidelines
- If you are sick, DO NOT come to the center for a program
- You will be required to preregister for ALL programs so we can plan setup and not exceed maximum number for program.
- Use the designated entrances and maintain 6-foot social distancing while checking into your program
- All participants must wear a mask that covers your mouth and nose before, during and after the program.
- Each participant will be required to sign a waiver (one time requirement) before you can attend a program.
- Upon arrival, each participant must complete a Health Screening Form and sanitize hands.
- Equipment is not to be shared. Please bring what you need from home.
- Throughout the program, participants must wash or sanitize hands as needed.
- You may bring bottled water, but are asked to consume in a designated area.
- At the conclusion of the program, participants will be released in a staggered process. Please leave without lingering. If you wish to further talk with someone, please do so in a safe place outside.
- Additional guidelines may be added as needed or required by authorities.

Any question please contact Chili Senior Center at 889-6185.
