Chili first Update:

Bonnie will speak with Dave Dunning to see if time allows for the installation of our sign in the afternoon of April 2. We need the sign in the meeting room on Feb. 22 to present to the town board for approval. If approved on Feb. 22, it will be installed on April 2. Bonnie suggested that we invite the press. Peter said we could have our board here as well for the installation.

Kerry from Lamont said the cost of the sign would be slightly over \$1400. We hope to get the cost approved for the budget of 2022. Bonnie asked if the sign is finished. Peter said no, but hopefully it will be finished for the Feb. 22 town board meeting.

Peter created a display up to attract Chili citizens' attention to the coming celebration. Bonnie asked if we could have legislators attend. James said they would be invited.

Peter made corrections on the Clifton pamphlet. The 4th proof is completed.
