from the Supervisor

Happy 200th Birthday Chili! On February 22, 1822 the State Legislature approved the creation of Chili as its own Town. This year we kicked off a year's long celebration of our Bicentennial with a Bicentennial Gala. The evening of good food, music and friends was well attended and a very enjoyable evening. Pictures from the event can be found on the Towns web site. April 2nd, 2022 marks the 200th anniversary of the first meeting of the Chili Town Board, as such the Town Board celebrated this anniversary, holding its April Town Board meeting on the day the first meeting was held. There are many other events planned as we celebrate the history of the Town. Please check our web site for events and schedules.

I would like to take this opportunity to thank the Bicentennial Committee and co-chairs Councilman Valerio & Councilwoman Sperr for all the work planning this year's events. The committee has dedicated considerable time in planning the variety of events that celebrate our past and present.

I am excited to share that the Chil-E Fest will be back, bigger and better this year. We are moving from the 4th of July date to June 24th & 25th, Yes, you read it correctly, 2 days this year. Starting on Friday evening with our parade, bands and events. Saturday will be a full day of vendors, food, music and activities

for all. The site is also changing. All events will be held at the new Community Center/Memorial Park facility. While final details are still being worked out, we hope to make this the best ever!

This past March I traveled to Albany to receive yet another recognition of our great Community Center. The State Chapter of American Public Works Association awarded the Town with the "Project of the Year 2021". We will also be receiving an additional award from the Genesee Valley Chapter of the APWA, this April. It has been an honor to receive these awards on behalf of our Town and all those who were a part of its development.

Like a fine wine, we have aged well, and our residents are to thank for making Chili a great place to live, work and play! Please join us in the celebration of our 200th anniversary!!

In closing, I look forward to my continued service to our community, and hope everyone has a blessed new year. If you have any questions, comments or concerns, please stop into my office, give me a call (585) 889-6111, or email me at ddunning@townofchili.org.

Town Historian

HISTORIC SALUTE

What is in the word historical that sparks the curiosity in man-kind? Is it the possibility or uncertainty of an event, a celebration or maybe a “DNA” connection to oneself?

A map location of human habitat, known to us as “Town of Chili”, has began its journey into 200 years of existence. One may call it; A celebration, A birthday, A commemoration or just a nice place to live.

In all aspects, interest seems to be very popular and educational. Corner stones are set, Land Marks homes are given status, community event exist and historical signs and markers are dedicated.

Chili Historian, Peter M. Widener, set forth his goals five (5) years ago to establish public recognition to Chili ancestors. The task involved placing historic markers – signs and/or plaques at local ancestral sites.

Our historian’s selections focused on all human membership included in pre-Chili to current Chili. Beginning with the Pre-historic WENRO Indians, including the Seneca tribe of the Iroquois Nation, 1244 A.D., known as “Keepers of the Land”.

The invasion of our pioneers (first – footers) to Chili experienced one common trait... What do we do with our dearly departed members? Indian burial grounds were unearthed in 1953, deemed Pre-Historic. The archaeological burial site, in Chili, was duly recorded and posted “Not to be disturbed”.

The foundation families of Chili established final resting places for their members, often with various names like: marble town, boot-hill, quiet neighbors and sacred grounds to mention but a few. The current number of final resting places recorded within our celebrated township is ten (10), with one ancestral farm family burial (not to be disclosed). The town of Chili is the caretaker of three (3) cemeteries; Buckbee Rural Cem., Lacey-Fellows Cem., and Morgan Cem. Due to “NO MORE VACANCY” Within. The State of New York, Division of Cemeteries, Albany, N.Y. recognizes the remaining cemetery Associations: Chili Rural #3, Clifton Maple Grove, Evergreen, Grove Place, Presbyterian Cem., West-Side Community, and Saint Pius X Cemetery. Our historically recorded WENRO Indian burial ground is number 11. However, Pre-Historic is not recorded in the Division of Cemeteries.

Dedicated research and extreme pride enabled our historian’s goal to be accomplished. The aforementioned markers now exist at Morgan Cemetery, Chili Rural #3, Buckbee Rural Cem. and now a May 25th setting for Lacey-Fellows Cemetery is scheduled.

In due recognition to our 200th celebration, did you know that Pre-depression, 1929, Chili also had a pet cemetery for family dogs and work horses along Scottsville Road (Route 383)?

Town Clerk's Office

Tax Collection

The 2022 Town and County Tax collection period is nearing its end. We are still collecting taxes at the Chili Town Tax Office, 3333 Chili Avenue, Rochester, NY 14624, 9:00 a.m. to 5:00 p.m., Monday through Friday, **until May 31, 2022.**

Payments made April 1 – 30 have 4 .5% interest applied. *Since the 30th lands on a Saturday, this year, this is extended to May 2nd.* The interest increases to 6% for any payments made May 3 – 31. Taxes that are unpaid by May 2nd will receive a second notice of taxes due from the County and will incur an additional fee of two dollars (\$2.00) which will be levied and added to the tax bill. Payments through June 1st are payable to Virginia Ignatowski, Tax Receiver and are mailed to the above address.

After June 1, 2022 all unpaid taxes, plus interest, is payable to the **Monroe County Treasury, 39 West Main Street, Rochester, NY 14614.**

Solicitors

With the return of nicer weather, there likely will be an increase in activity by door-to-door salespeople of products or services. **Anyone peddling/soliciting must first obtain a permit from the Clerk's office.** (Fundraising is exempt from this law, i.e. - school fundraisers and scouts.) Only answer the door if you are comfortable doing so! You should request a business card and their Chili permit. Please contact the Clerk's office at 889-6127 if they do not have a permit. To assist in enforcement, it is helpful if you are able to supply the name of the individual as well as the company they represent. This is why it is critical that you obtain a business card prior to any other interaction. You may also contact the sheriff's office, as it is illegal for them to sell without a permit, especially if you feel that they are behaving suspiciously. It is unfortunate, but scams and burglary have occurred with people posing as door to door sales people.

This law exists as an effort to protect residents from unscrupulous individuals. When a person applies for a peddler's permit at the Clerk's office, they pay a fee and must provide a background check on themselves. The Clerk researches them, and their company, to assess their credibility and business practices. In the past, applications were denied due to red flags such as poor BBB ratings, Attorney General Filings, news articles on problems encountered in other communities, etc. Please note that a permit is NOT an endorsement, but rather, proof that the individual has complied with the law.

People have questioned if this law also applies to religious organizations going door-to-door or politicians campaigning, and the answer to both of those is that it does not as they are not selling anything.

If you have a bad experience with a legitimately licensed solicitor, please let the Clerk's office know. Their license may be revoked if multiple complaints are received. In addition, future applications will meet with much stronger scrutiny.

Permitted solicitors are listed on the Town Clerk's Peddler's Permit page on the town website; www.townofchili.org.

New York State Marriage Licenses

Where to obtain:

A couple intending to marry in New York State must apply in person for a marriage license. They may do so at any town or city clerk in the state.

The Chili Town Clerk's Office is located at 3333 Chili Ave. Licenses are issued between 9:30 A.M. and 4:30 P.M. *We encourage that you call for an appointment to ensure staff availability.*

It generally takes about 15 minutes to obtain your license. Both parties must be present. Blood tests are no longer required.

Both parties in the presence of the town or city clerk must sign the application for a license. A representative cannot apply for the license on behalf of the couple. This applies even if the representative has been given the Power of Authority.

For More Information please visit www.health.state.ny.us/vital_records/married.htm

Documents Required to Obtain a License:

A person must establish proof of age and identity to the issuing clerk with two documents. Our preference is:

One of the following age-related documents:

- Birth Certificate
- Baptismal record
- Naturalization record
- Census record

And one of the following identity-related documents:

- Driver's license
- Passport
- Employment picture ID
- Immigration record

If previously married, a certified copy of the Decree of Divorce or a Certificate of Dissolution of Marriage is required for every divorce, including judgements of divorce.

If a spouse is deceased, a copy of the death certificate is required.

The marriage license is valid 24 hours after issuance and is only valid for sixty (60) days.

Cost to Obtain:

The fee for the license is \$40.00. We accept cash, check, Visa, Master Card, Discover, and American Express. Please note that credit cards incur an additional third party fee of \$1.75, so if wish to avoid this additional amount, you should come prepared with cash or check.

The fee includes the issuance of a Certificate of Marriage which is sent to the applicant within 15 days after the license is returned by the officiate (person who performs the ceremony).

* New York State and the Town of Chili waived the fee for those that are actively serving in the armed forces. Bring military ID as proof of active duty.

Where to Obtain Copies of Marriage Records:

Marriage records are kept in the office that issued the original license. If you obtained your license at the Chili Town Clerk's Office and require a Certified Transcript of Marriage, please remit a notarized Marriage Research Form (available on the town website) or visit the Town Clerks Office.

The fee for a Certified Transcript of Marriage Certificate is \$10.00.

Mail your notarized written request and the appropriate fee to:

Building Department

The Town of Chili advises beginning all projects by calling the Building Department at (585) 889-6143 or visiting our website (townofchili.org).

The Building Department will determine if your project is within zoning compliance, requires a building permit(s), and identify inspections required to comply with State and Local code. A Certificate of Occupancy will be issued once the project is completed. A final inspection must be scheduled and completed for the project to be compliant with State and Local code and to receive a Certificate of Occupancy. The responsibility for project close out is the owners responsibility regardless who applies for the permit

Are you considering making property improvements? Perhaps finishing the basement, or adding an addition? Maybe installing a pool or spa with a deck? Are you looking to install a fence? Thinking about a shed? If so, a building permit is required for most projects.

Please call the Building Department at (585) 889-6143 to verify if a building permit is required for a project and answer any inquires regarding setbacks, area requirements, and applications required..

The Planning and Zoning Board meeting agendas are posted in the Daily Record prior to any scheduled meeting, the meeting dates can be found on The Town of Chili webpage calendar for reference. The submissions of the applicants are also available to view on The Town of Chili webpage, these are available 24hrs prior to the applicant's meeting date, per New York State law.

The Town of Chili Code Book is available on our Town Webpage, to reference zoning, and codes that may pertain to your project. Should you have any questions feel free to contact the Building Department (Planning and Zoning) at (585)-889-6174.

TRANSFER OF TITLES

It is the responsibility of the property owner (seller or buyer) to ensure that all additions, accessory structures, pools, etc., are compliant with all codes, laws and regulations. All violations become the responsibility of subsequent owners.

The Town recommends that you obtain a copy of the building permit from your

contractor to verify issuance of a permit. Furthermore, request proof of a Certificate of

Occupancy/Compliance from your contractor for any permitted work prior to the final payment to the contractor. This will insure that the completed installation complies with all local and state building codes and the Town has closed out the project. Regardless of who applied, procured or paid for the permit the ultimate responsibility of the project close out is the property owner.

SEASONAL ITEMS

As summer approaches, we begin to turn our winter dreams into reality. The most popular summer projects are as follows with some helpful tips.

Pools & Spas: Before diving into a pool-building project, there are a few important reminders.

- Location restrictions include, at least 10 feet from any side and rear yard line, at least 15 feet from any portion of the main dwelling for an inground pool and minimum 10 feet for an above-ground pool. No pool may be located in the front yard.

- Safety requirements include an approved pool alarm and rescue pole

- Fence\barrier requirements must be at least 4 feet (48 inches) high and completely surround the pool and must obstruct access.

- Ladders\steps shall be capable of being secured, locked, or removed to prevent access

- Access gates must be, securely locked with child-proof locks. Access gates must be 48" tall, self-closing, open outward, self-latching, and latch release must be located 54 inches from grade.

Storage Sheds: Any exceptions to the following would require a variance application.

- A building permit is required for sheds 120 square feet and over.

- Maximum height cannot exceed 12 feet.

- Setback requirements must be met even for sheds that do not require a building permit.

- Setback requirements are 8'-0" from the principal structure and the side and rear property line of the parcel.

- A shed cannot be located within the front setback area (front yard), and must be a minimum of 55 feet from any lot line abutting a street (a corner lot has two front setbacks/ yards).

- Sheds cannot be located in an easement without the permission of the easement holder. Permission can be obtained via an easement

Building Department

release a form available in the Building Department.

- If the shed is located on a property that is in a designated flood zone, the shed must be anchored and a floodplain permit obtained.

Fences: While fences do not require a permit, there are restrictions per code requirements.

- Fences located in the rear/side yard can be a maximum of 6 feet in height and a maximum of 4 feet in height in the front of the yard. A corner lot has 2 front yards.

- The face side of any fence shall face the adjacent property. All posts, etc. shall be located on the inside of the said fence.

- Fences are allowed to be built to the property line. However, the owner must be able to maintain the fence without entering adjacent properties.

- Consult your instrument survey or a surveyor to determine property lines.

- Construction in an easement requires prior authorization from the easement holder.

- All Commercial/Industrial properties require a fence permit.

FAQ

How do I find a contractor?

Ask a friend/neighbor, check with the Better Business Bureau (BBB)/Better Contractors Bureau (BCB), check with the Rochester Homebuilders Association.

I am doing the project myself, do I need insurance?

As a homeowner, you may choose to do the project yourself. To apply and receive a permit, you will need to go online and register for a Workman's Comp Insurance exemption (CE200) from NYS. There are complete instructions available at the Town of Chili Building department office.

When do I need a design professional?

Any project pertaining to habitable space and/or at the discretion of the code official.

FIRE SAFETY

There's nothing like outdoor grilling. However, a grill placed too close to any combustibles is a fire hazard.

Candles indoors or outdoors may be pretty to look at, but they are a cause of home fires and home fire deaths. Follow candle safety or think about using flameless candles.

Few delights scream summer like sitting around a fire pit with friends and family. But before you light up a fire, here are the code requirements.

- 2 feet deep
- 3 feet in diameter
- 20 feet from any combustibles
- Burn seasoned wood

Grill Rules

- Grill is to be operated by adults only
- Grill must remain at least 10 feet from the building during use
- Turn off gas tank before leaving
- Be courteous with your time if others are waiting to use the grill.

PROPERTY MAINTENANCE REMINDERS

Property maintenance in your community is essential in keeping in compliance with the code and fostering a healthy neighborhood.

Grass and Weeds: All premises and exterior property shall be maintained free from weeds or plant growth more than ten inches.

Garbage Cans: All rubbish, garbage, and yard waste including any garbage, recycling, and yard waste containers shall not be located between the street and the facade of the principal structure.

Recycling: The disposal of items such as electronics, pharmaceuticals, tires, paint can be properly disposed of at eco-park (<https://www.monroecounty.gov/ecopark>).

Address: Ensure all address numbers are posted, clearly visible, and legible from the public or private way on the building fronts. The numeric numbers shall contrast the background, and shall be no smaller than 4 inches in height.

COMPLAINT-RESOLUTION PROCESS

The Town of Chili works to resolve all Code Enforcement complaints we receive. Once a violation has been assessed/confirmed, a Code Enforcement Officer will contact the property owner either in person or in writing regarding the violations. Either of these methods will inform the property owner of the violation and prescribe a time for compliance. If compliance is not achieved within the prescribed time allotted legal enforcement may commence. Note it is the responsibility of the complainant to document evidence of the alleged code violation and to submit such evidence along with the complaint.

If you would like to file a formal complaint with the town please complete the following forms available online or in the Building Department office.

Complaint Form:

- The Town cannot accept nor respond to anonymous complaints.
- Complaints must be in writing, signed by the complainant and submitted.
- In the case of legal enforcement, testimony by the complainant may be required.

Written Consent: (if applicable)

- The Town can only cite violations visible from the public realm.
- The Town cannot enter private property.
- Alleged violations seen from neighboring properties are possible with the written consent of the neighboring property owner.

Dog Control Office

TIPS FOR KEEPING YOUR DOG SAFE IN THE SUMMER

With the summer months just around the corner, you will surely find yourself spending extra time outdoors with your dog. Along with the fun, there are some precautions that should be taken. Here are some tips on how to help your dog enjoy their summer.

- Never leave your dog unattended in a parked car. On warm days the temperature in your car can rise to dangerous levels in minutes. If you see a dog in a parked car in the summer, alert the management of the store so they can page the owner of the vehicle. If the owner does not respond promptly and you believe the dog to be in distress call 911.

- Provide plenty of water and shade for your dog while they are outside. A plastic or ceramic container is preferable to metal dish which can heat up in direct sunlight.

- Dogs need exercise even when it is hot, but extra care needs to be taken with older dogs, short nosed dogs, and those with thick coats. On very hot days, limit exercise to early morning or evening hours. Keep in mind the asphalt gets very hot and can burn their paws. If a sidewalk or roadway is too hot for your feet it's too hot for your pet's paws.

- It is quite possible for your dog to suffer from heat exhaustion and heat stroke. These conditions are very serious and could be fatal. In hot weather, keep on the lookout for signs of heat stress, which could include heavy panting, glazed eyes, a rapid pulse, unsteadiness, vomiting or a deep red or purple tongue. If your dog becomes overheated, immediately lower their body temperature by moving them into the shade and applying cool (not cold) water to their undersides. Let them drink small amounts of water or lick ice cubes. Most importantly, get them to a veterinarian immediately.

- Be mindful of toxins. Sunscreen and insect repellents are made for humans and may have ingredients toxic to your pet. Make sure you're only using products approved by your veterinarian.

- If you suspect animal cruelty or see a dog locked in a hot car, without shade and water you can contact the Monroe County Sheriff's Department (911) or contact the Lollypop Farm Humane Law Enforcement Department at 585-295-6500.

DON'T BE LOST WHEN YOUR DOG IS

One of the scariest moments we may face as dog owners is when our furry friend gets lost. It is an emotional time and most people don't know where to begin. Here is a checklist to help reunite you and your dog.

- File a report with your local Town's Dog Control/Animal Control Office as well as any neighboring towns.

- Call the surrounding local Animal Veterinarian Clinics to see if they have any reports of found dogs.

- Check with your neighbors or homes around the area where the dog was lost.

- Look inside sheds, garages, and storage spaces in case the dog is trapped inside (particularly in cold weather)

- Make fliers and post around your neighborhood and where they were lost (including a photo, and any unique characteristics)

- Post and monitor listings on Facebook, Next Door App, in the 'lost + found' and Rochester Dogs lost or found. These applications have proven to be fabulous resources for finding owners of lost dogs quickly.

One of the best ways to quickly find and reunite with your pet is to be prepared before hand:

- Microchip your dog and keep your registration information current.

- Keep license tags, collars and identification name tags on your dogs, they can be quickly identified and returned quicker with these in place.

- Have good photographs of your dog(s), including distinguishing markings.

FOUND DOGS

You may find yourself in the situation of finding a lost dog wandering in the street or in your own backyard.

These simple steps can help reunite the lost dog quickly back to their owners:

- No matter how the dog behaves or what it looks like, presume the dog is owned and loved by someone who is worried about their lost pet.

- Check for identification and have the dog scanned for a microchip (most vet clinics will do this for free).

- As previously stated, post and monitor listings on Facebook, Next Door App and Rochester Dogs lost or found. These applications have proven to be fabulous sources for finding owners quickly.

- Turn the dog in to the Town's Dog Control or Animal Control Shelter where the dog was found - this is one of best ways to reconnect the dog with the owner.

- Call 911 they will call the town's Dog Control Officer and make arrangements for the dog to be picked up.

Thank you to everyone who goes out of their way to help reunite dog's back to their loving families'

TOWN OF CHILI'S FREE RABIES CLINIC

The Town of Chili is holding its annual Free Rabies Clinic. Dogs and cats must be 3 months of age or older to receive a rabies vaccine. A one year rabies vaccine will be given unless prior proof of vaccination is shown. A three year rabies vaccination will be given if a previous or current rabies certificate is shown. A certificate is the only legal form of proof. For safety reasons, please keep all dogs on leashes and all cats in carriers. You do not have to be a Chili resident to attend the clinic. All are welcome.

The Rabies Clinic will be held at the Town of Chili Highway Department at 200 Beaver Road; Saturday, June 4th, 2022 from 9:30 am till 12:00 pm.

We will also be providing the opportunity for any Chili resident who has not licensed their dog(s) to do so at that time as well as renewals. Cash or check is the only form of payment we can receive. For any further questions please feel free to contact the Dog Control Office at 889-6175

LICENSING

All dogs 4 months of age and older are to be licensed in the municipality that they reside in. It is a New York State Law.

What you will need to license your dog in the Town of Chili:

- Proof of a rabies vaccination from your veterinarian or animal care provider.

- Proof of spay and neutering from your veterinarian or animal care provider.

Bring all of your documentation to the Town of Chili Town Clerks Office located at 3333 Chili Avenue and we will be happy to help you license your pet.

- The cost for dog licensing is \$10.00 for neutered and spayed dogs and \$20.00 for un-neutered and un-spayed dogs.

If you are 65 years old or older the fee for spayed/neutered dogs is \$5.00 dollars, un-spayed/un-neutered dogs is \$15.50.

Once your dog is licensed please place the tag on your pet's collar. If your dog has gone missing and has that tag on the collar and is found, we can trace the tag number and get your fuzzy pal home sooner.

PET FRIENDLY FOURTH OF JULY FIREWORK SAFETY TIPS

- Keep your pets secured inside your home. Even dogs in fenced in yards find ways to escape the scary sounds.

- Give them a safe place to hide. Set up a comfortable room or crate inside your home just for them.

- Use ambient noise to mask the noises. A radio or TV playing comforting music works well.

- Update their ID's and microchips just in case they go missing.

- You may want to skip the celebration and stay home with your fur baby. Sometimes your presence makes all the difference

- Keep your pet busy. Treats, toys, like Kong's can help distract them during this scary time.

- Should your pet become scared and run away, please contact our office or Town of Chili Dog Control Facebook Page immediately with your information. We monitor our phones and our Facebook Page closely on July 4th. Chances are if your dog is found we will be the first to be called through 911. We want to assure a safe and happy return.

FRIENDLY REMINDERS:

- There is a leash law in affect in the Town of Chili. While dogs are off their property all dogs are to be secured by a physical leash no longer than six feet in length and under the owners control. This assures everyones safety as well as control over your pet.

- This does include all Town of Chili Public parks and while on public rights-of ways.

- Please be considerate and clean up after your pet while on walks and outings.

- We DO NOT respond to wildlifecalls. Please contact the NYS Department of Environmental Conservation(NYSDEC) at 585-226-2466 for any questions or visit the DEC website for rehabs in our area.

Assessor's Office

WELCOME!

There is a new face in the Assessor's Office! We are pleased to welcome Barbara Dodge as the Assistant Assessor. She is assisting Mary Lander with operations of the department. We know you will enjoy working with her.

SPOT LIGHT

Board of Assessment Review (BAR):

The board consists of 3-5 members familiar with area market value and have completed NYS training for the BAR. The board is charged with judicial responsibility to get all the facts, and apply appropriate laws and reasoning to the facts in a fair and judicious manner.

Assessment is too high? Follow these steps.

1. STEP ONE- arrange an informal meeting with the Assessor *PRIOR TO APRIL 30*.

2. STEP TWO- file a written complaint with the Board of Assessment Review-(BAR) (Form RP-524)

3. STEP THREE- Taxpayers who are dissatisfied with the administrative determination made by that board may thereafter seek judicial review.

In addition, certain residential homeowners may seek small claims assessment review.

***FORM RP-524 Complaint on Real Property Assessment**

2022 DEADLINE: TUESDAY, MAY 24 @ 8pm

***BAR Hearings start TUESDAY, MAY 24, 2022**

Owners must determine if their property assessment is:

1. Unequal as compared to similar properties in similar or same neighborhood or type of property in the town's jurisdiction.

2. Excessive as compared to like properties in the town or neighborhood or is missing unapplied exemptions.

3. Unlawful in that the property is exempt in part or total due to jurisdiction.

**The property owner or representative is responsible to present pertinent and material proof of value. Proof may include pictures, neighborhood research using current tentative roll (ie. not the previous years' roll) and written description.*

** Assessment is not based upon an owner's financial status.*

NYS REAL PROPERTY TAXES:

The real property tax is an ad valorem tax (a tax levied on the basis of value). The local assessor determines the taxable value of real property. NYS Law requires all properties to be assessed at a uniform percentage of value each year.

Taxable value is determined by State and local Market Value, Cost, Property Income, Property Condition and ownership as of taxable Status date, and Exemptions as eligible and applied.

Function of Assessment:

Each year the Town of Chili along with Monroe County and your local school districts prepare a budget that addresses anticipated and known expenses. These budgets drive the TAX RATE for each entity.

To administer fair and equitable taxation, these entities depend upon accurate information of property values within their specific jurisdiction and set tax rates accordingly.

**Assessment Ofc does not set tax rates.*

Town of Chili Assessment Ofc:

- establishes the value of property within NYS guidelines;
- administers any exemptions, where eligibility has been met;
- prepares and publishes an assessment roll;
- assists town property owners in understanding assessment process, the filing for exemptions, or preparing grievance complaints.

Assessment Roll: a listing of each residential and commercially owned property within the Town of Chili. The roll is used to determine each property owners' portion of the tax levy.

Tax Levy: school taxes and combined Town & County tax bills. Tax levy is based on the budgets for Town, County & School.

DEBRIS PICK-UP PROGRAM

Intent of Town Pick-up Program: The Town provides a program for the pickup of brush and tree limbs. This program can accommodate a quantity of material typically generated by the removal of small amounts of brush and/or trees from a residential property. The program is not intended to facilitate lot clearing or the generation of large quantities of brush and/or trees, even if done by the resident. **Prior to placement of any significant amount of debris or tree material at the roadside, the resident must call (585) 889-2630, Prompt #2 to seek a determination on if the Town will pick-up the debris.**

Town Pick-up Schedule: In general, the Town picks up brush and tree limbs on the schedule below. **However, during times of increased service demand such as spring pickup season or after a severe storm, there will be delays which will impact the pickup schedule.** For the latest information on the status of the pickup schedule, please contact the dispatch line at (585) 889-2630, prompt #2.

In January 2021, the Town modified the schedule for the brush and tree limb program in order to provide residents with a more consistent pickup rotation. While there may still be occasions that result in a delay, we feel that this new schedule has allowed us to better manage the program and reduce delays during the peak spring clean-up season. The previous two (2) route system of alternating weeks was modified into a four (4) route system, with each route being picked up the same week each month starting with the first Monday of the month. A route map and schedule has been posted on the website. Along with an alphabetized list of street names, you can scroll through to find which route you are on. Also, as in the past, you can call into the dispatch line at 889-2630, prompt #2 for the latest information.

Brush and tree limbs must be cut and stacked neatly with the cut ends facing the road. Please stack brush, logs, and shrubs separately. Limbs should be no longer than 18ft. Logs should be no longer than 24 inches. All material, except log pieces, will be chipped. Material not

chipped will be collected by another vehicle, possibly the next day. Chips are available for reuse at the Highway garage storage area and by delivery to the home upon request. Leaf mulch is also available for reuse.

Green waste, vines, weeds, sticks, and shrubs shall be piled separately for packer pick-up. **PLEASE DO NOT BAG. WE WILL NOT PICK UP BAGS AND WE DO NOT PICK UP GRASS CLIPPINGS.** Backyard composting is suggested.

Metal items and white goods, EXCLUDING dehumidifiers, air conditioners, refrigerators, and freezers (unless Freon has been removed & Red Tagged). Please call your private hauler for details regarding those items.

Rocks, concrete, brick, and dirt. Must be piled separately and not in pieces larger than 12". **PLEASE DO NOT BAG.**

PLEASE HAVE ALL DEBRIS READY FOR PICK-UP ON THE SUNDAY EVENING PRECEDING YOUR WEEK OF SERVICE.

All inquiries should be directed to the Department of Public Works Office at 889-2630, Monday – Friday between 7:00 a.m. and 3:30 p.m. NOTE: May through September, hours are Monday – Thursday 6:00 a.m. to 3:30 p.m., Friday 6:00 a.m. – 10:00 a.m.

- No Tires - must be off rims to be collected by your private hauler
- Do not place items in concrete gutters, ditches, or on top of storm drains
- Pile materials separately from items to be collected by your private hauler
- No contractor-generated tree waste or debris
- No construction debris or building materials
- No furniture, TVs, fuel tanks
- Residents having items which are considered hazardous waste material should call Monroe County Hazardous Waste at 753-7600 for information on disposal.

from the Director

Dear Chili Residents:

As the saying goes, "*Time flies when you're having fun!*" It is hard to believe that it has been almost a year since the grand opening of the Chili Community Center. Each day when I come to work, I am constantly amazed at how busy and full of life the Community Center is at all times of the day. Whether it's the 6am basketball games, the morning meditations, the mid-day activities in the senior lounge, afternoon yoga, the evening karate classes or the busy track...this place is hopping!

My staff and I pride ourselves on making sure that everyone who comes to the Chili Community Center feels both welcomed and included. From the friendly staff at the front counter, to the variety of programs and events

for all ages and abilities....we work hard every day to truly make the Chili Community Center FEEL like COMMUNITY!

If you are already one of the 6,417 members, I thank you for your support. If you have yet to stop by the Community Center, I encourage you come take a look around. I promise, you won't be disappointed!

As always, if you have any questions, concerns or suggestions, please feel free to call or e-mail me (mcurley@townofchili.org) or stop by and I'll gladly take the time to meet with you or give you a tour of the Community Center.

Sincerely,
Michael Curley

PINT SIZE SCIENCE

Spark an early fascination with science by joining Pint Size Science this summer! You both will be mesmerized with hands-on science activities. Your child's eyes will light up as we explore the science of solar beads that appear to have magical abilities in sunlight. We'll make our own bubble brew and test it out by blowing bubbles with a variety of wands. Everyone will scream for ice cream as we learn the science behind making it. Won't you join me in the lab for some scientific fun?

SUMMER DAY CAMP

Our camps at Chili Recreation are the most adventurous time your kids can have during a week in the summer! With a focus on friendships, campers spend the week participating in activities they choose, with amazing counselors from our community. Each program is designed with specific age groups in mind, and counselors are trained to not only be role models, but to encourage and empower campers' personal growth. This is a Chili Recreation staple. Our more traditional program will showcase classic camp activities. This program also features themed weeks that will build camp spirit!

DON'T WORRY: BE HAPPY (AT WORK)

The book Real Happiness at Work asks the following questions: Can we or should we attempt to find happiness at jobs we don't love? Can we remain peaceful in busy and uncertain environments? Are there strategies to deal with times when we feel tired and overwhelmed from trying to make a difference? Can we maintain and improve job performance "through restoring our own deeper happiness?" According to Sharon Salzberg, the answer to these questions is a resounding yes! Please join us for this interactive workshop that examines Salzberg's "8 pillars of happiness in the workplace" and explores exercises and meditations for accomplishment, achievement and peace."

CHILI PUBLIC LIBRARY

The Chili Public Library is the center of lifelong learning for our community, and a welcoming responsive place people come to for the discovery of new ideas, the joy of reading and the power of information.

JEFF BAKER, LIBRARY DIRECTOR From the Director

Experts in the fields of child brain development and reading research agree that literacy skills develop at a very early age and are strengthened when children read and learn during the summer months. That's where the library comes in. Every summer, libraries across New York State provide a summer reading program for their residents. In 2021, 1.1 million children and teens across the state participated in summer reading fun and activities provided by their local libraries. Last year 683 children took part in the Chili Public Library's summer reading program and read for a total of 195,440 minutes! We also had a summer reading program for teens and adults. The theme of this year's summer reading program is Oceans of Possibilities. I invite everyone to participate in the library's summer reading program and take part in the activities we have planned. There is an ocean of possibilities from which to choose.

ROCHESTER CRAFT BEER: THE HISTORY AND FUTURE OF THE SCENE

Wednesday, July 20 at 7pm.

Will Cleveland, a Rochester native and longtime investigative reporter for the Democrat and Chronicle, has been covering the western New York beer scene since 2014 — first at the D&C and now through a weekly newsletter. During his time chronicling beer, the Rochester scene has grown to nearly 25 breweries in Monroe County, including 13 in the city of Rochester.

In his talk, entitled “Rochester Craft Beer: The history and future of the scene,” Cleveland will provide a historical deep dive in Rochester beer, provide predictions about the future, and answer audience questions. He’ll also reflect on his 14-year career at the Democrat and Chronicle and look at the future of journalism.

Registration is required and begins June 29.

TRAVELOGUE: CHINCOTEAGUE

Monday, July 25 at 7pm.

Come be an armchair traveler during this presentation about the beautiful Chincoteague Island and the surrounding areas. Registration is required and begins July 11.

TRAVELOGUE: HAWAII

Thursday, August 11 at 7pm.

Travel to the ocean shores of Hawaii with Mary Ann Kwiatkowski. We will see the sights of Oahu, then get on a cruise ship to visit Maui, make a quick stop on the Big Island and tour beautiful Kauai. Registration is required and begins July 28.

AN ACOUSTIC EVENING WITH PATRICK GLANTZ

Monday, August 15 at 7pm

Come to the library for a fun evening of music, socializing, and refreshments! Local musician Patrick Glantz will be joining us to share his talent.

Registration is required and begins August 1.

TIE-DYE FOR THE WHOLE FAMILY

Friday, August 19 from 10am to 4pm for all ages.

You bring the fabric, we’ll have the rest! Grab a white t-shirt and your family or friends and sign up for a half hour slot to tie-dye.

Registration is required and begins August 5.

SUMMER READING FOR ADULTS

JOIN THE FUN!

Summer Reading isn’t just for the kids! Stop in to the library and pick up raffle tickets to fill out and track your own reading over the whole summer. Tickets can then be submitted for a number of exciting prizes and gift baskets! All tickets must be submitted by August 19 and prize winners will be drawn and notified on August 22.

Town-Village-Hamlet

Fact or Folklore, the validation and actual factual legislation is: The Hamlet of Clifton, circa date Pre-1822. Folklore has many unqualified beliefs that, even at 2022, citizen mistakenly refer to our hamlet as the Town of Clifton. Furthermore, undocumented verbiage, "the Village of Clifton, often echoes throughout our community."

Legislation regulations clearly require elected governing officials for a township or village to legally exist. The Hamlet of Clifton, circa 1808, accurately qualifies folklore as "HAMLET." The past 200 plus years has had Clifton as: Grab - All, Hard Scramble and Harmon Mills with nearly all aspects of a complete "Civilization in the Wilderness."

February 22, 1822, New York State Legislature approved approximately 35 square miles of land for the recognition as Chili township. Shortly thereafter, our ancestors held the first town meeting at James Coleman's Inn on April 2, 1822 and elected governing officials.

Today, 200 years later, Chili will have its Bicentennial birthday, a historic marker will be installed for the Hamlet of Clifton at the Clifton Fire Department, the event occurred on April 2, 2022.

Community Spotlight

Chili Art Group

Chili Art Group, our community art organization, will hold its annual Spring Show and Sale from April 29th through May 1st at the Chili Community Center. Show hours will be: Friday – 10:00 am to 8:00 pm, Saturday – 10:00 am to 6:00 pm, and Sunday – 10:00 am to 4:00 pm. The group is planning an opening reception and award ceremony on Friday, April 29th from 6:00 to 8:00 pm.

The group meets regularly, enjoying demonstrations, lectures, critiques and collegiality between its members and guest artists. Visitors and those interested in membership are welcome to join in these experiences.

Membership is open to all who express an interest in the visual arts and are 18 or older. Our mission is to give members the opportunity to develop and expand their artistic abilities and interest, as well as to promote community interest in art.

For upcoming events and more information about Chili Art Group, please check our Facebook page at facebook.com/chiliartgroup or contact our president, Jean O'Brien at 585-889-4216.

The group sends a special thank you to David Dunning (Town Supervisor), Michael Curley (Parks and Recreation Director), Dawn Forte and the Town staff for their continued support.
